

HEYware Connections

EFC International, as a master distributor of Heyco, offers product designs on time and at a competitive price. Take advantage of EFC's partnership with world-class manufacturers and exclusivity for your engineered components.

- Replace *hard to buy from* sources.
- Consolidate sourcing and realize immediate cost savings.
- Avoid large minimum buys with stocking options.
- Strategically located warehouses.
- Prototypes and inexpensive tooling.

EFC offers the broadest product line available for cordgrips, fittings, strain reliefs, hole plugs, cable clamps, wire clips, hose clamps, ties, tubing, snap rivets, arrow clips, trees, bumpers and feet, locking releasable clips, adhesive-back mount clips, and bushings.
